PURCHASE AGREEMENT

I **TELLY HUNT** agree to sell this Rottweiler puppy to the agreed buyer(s) for the amount of \$_____. The sale of this puppy is an "**AS IS**" purchase.

There is to be a deposit of \$_____ towards the purchase price of the puppy. This deposit is non-refundable unless the puppy should die before it leaves my premises. In this case the deposit would go towards another litter at another time when puppies are available.

This puppy is sold to the agreed buyer as a _____ quality puppy at the time of sale. This means this puppy has no disqualifying faults at the time of sale.

I, **TELLY HUNT** will give **five (5) business day's** health guarantee from a licensed **Veterinarian** stating the puppy is in good health with no serious health problems (heart problems). If the licensed **Veterinarian** finds anything seriously wrong with this puppy, then the puppy should be returned to the breeder within the guaranteed period and the puppy will be replaced with a puppy of equal value (when available). It is understood that **NO MONEY** will be refunded at any time.

I, **TELLY HUNT** will provide documentation to the above buyer(s) on the parents of this puppy to verify that they are AKC.

I, **TELLY HUNT** will give a **2 year guarantee** on hips and elbows. Buyer must provide written documentation and X-Ray from Veterinarian to have puppy replaced due to hips and elbows. Seller will not guarantee due to nutrition, activities, (over weight, climbing stairs, etc.)

I, **TELLY HUNT** have first right to refusal. This means that this puppy cannot be sold, co-owned, given away, traded, etc.... with anyone else other than **TELLY HUNT** unless other agreements are made between both parties. This puppy will be returned to **TELLY HUNT** for no more than the purchase price.

By reading and signing this contract, I have agreed to the above terms.
